AN ACADEMIC'S HONEST OPINION ON ALL THINGS BEAUTY

A MOTHER'S DAY GIFT GUIDE, NEW IT COSMETICS
LAUNCHES + A BP GIVEAWAY!

Mother's Day is less than a week away and I have a round of thoughtful gifting ideas that convey love and appreciation to the women in our lives! More practical than a box of chocolates with greater longevity and daily use than a bouquet of flowers, these presents reflect every major category of beauty gifting.

Additionally, I've included some style on rotation and a giveaway for Beauty Professor readers!
