April 2011

Display until April 30, 2011

Recyclable, biodegradable and reusable packaging.

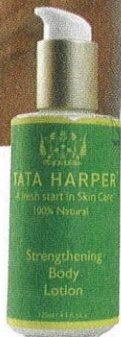

If you need an instant (no joke) lift and glow, try this at-home, freeze-dried treatment made from organic extracts. It leaves your face taut and radiant for up to a week!
Pevonia Botanica intensifier \$20

Great for any skin type, this gentle peel contains rosemary and spearmint and leaves your face exfoliated and brightened.
Tammy Fender epi-peel \$80

Organic, toxin-free and 100 percent natural, this miracle lotion reduces age spots, strengthens, hydrates and even helps produce collagen—definitely worth the splurge!
Tata Harper lotion \$85

Made with organic ingredients, this natural wash contains ginger to quell mama's nausea.
Earth Mama Angel Baby body wash \$11

Wipe away the day with all-natural moisturizing cleansing cloths.
Frais facial towelettes \$10 for 7

Packaged in a recyclable tin.

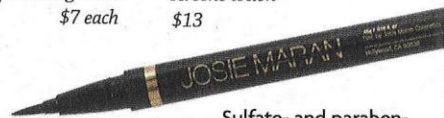

Safely enjoy an all-natural mimosa or mojito—on your lips!
Lip Elixirs glosses \$7 each

Fight free radicals, wrinkles and skin dehydration with blueberries and other antioxidants.
Yes to Blueberries facial care from \$10

This dermatologist-tested lotion is made with natural ingredients and is safe enough for babes with eczema.
Aveeno lotion \$13

Sulfate- and paraben-free, this precise liner is infused with organic argan oil.
Josie Maran eye liner \$22

Body conscious

Green goodies to try while beautifying for two.
PRODUCED BY ERIN SHEA LONG

A clean, fresh scent combining natural ingredients and essential oils.
leila lou by Rosie Jane perfumed lotion \$28

Return three empty bottles to leila lou and receive your fourth lotion free.
